Dear Friend:

When we lost our daughter Emma in 2013, we knew we had to do something to honor her beautiful spirit. She was a lovely and vibrant young woman beginning her journey as a freshman Art student at Virginia Commonwealth University in Richmond that cared deeply for her fellow man and desperately loved her Mother Earth.

In 2014, we formed the Emma Munson Foundation, a 501(c)3 non-profit organization with a mission **to 'promote charitable activity to improve the quality of life.'** We hope to spark a youth volunteer movement via Emma's Peace Gang and fund projects aimed at 3 of Emma's passions – Mother Earth, Mankind and the Arts.

On March 22nd, we are hosting our **6th Annual** fundraiser **"Peace, Love & Emma – a Celebration of Music and Art"**. **Jergel's Rhythm Grille** in Warrendale is graciously hosting the event where we will feature local musicians and artists coming together to raise funds for our charitable initiatives. In 2019 our efforts included planting over 1,000 trees, performing 50+ beach cleanups, packaging over 10,000 meals for those in need and hosting Halloween costume events to share love with families in need.

In 2020, we plan to do even more.

We hope generous donors like you will help us make this a success by considering us with financial or in-kind support to help allow as much of the money raised to go directly to our efforts. We are a 100% volunteer organization and welcome both financial assistance and in-kind support for gift baskets that we plan to give away by raffle. Won't you help?

Our friend who has presented this letter to you is donating their time/effort to help us with both the event and fundraising. Tax deductible donations may be made to the Emma Munson Foundation (EIN#**47-1573593**).

We are grateful for any support and appreciate your help in making a difference!

Sincerely,

Denise and Michael Munson
